

JOSH JOHNICO

Tribal Affiliation: Choctaw

Contact Exhibit C Native Gallery & Gifts for pricing

Josh Johnico brings a unique take on contemporary art, painting mostly on canvas. Although Johnico has been creative for as long as he can remember, taking art classes at a community college restarted his passion for painting and Native art. Through his paintings, Johnico works to give concepts new life, sometimes painting his own version of old black and white photos. Johnico looks at Native art as a way to keep Native American history alive while presenting the culture in a new way.

1. "Sia Buffalo Mask" / Mixed Media on Canvas / 39.75H x 30W
